PAST PERFORMANCE

National Weather Service (NWS), Weather Forecast Office (WFO) and Field Support Center (FSC)

As a prime contractor, we are currently providing snow and ice removal services at the National Weather Service (NWS), Weather Forecast Office (WFO) and Field Support Center (FSC) in Sterling, VA. Services began on May 19, 2025, under Contract Number 1305M325P0121, valued at \$50,000 for the base year. The contract vehicle is a Purchase Order. We deliver non-personal services including labor, equipment, materials, and chemicals for pre-treatment, snow plowing, salting, and drifting snow management. The scope covers over 237,000 square feet of critical access areas including roadways, parking lots, sidewalks, and launch pad areas. Our work ensures continuous 24/7 operational access for NOAA's weather facilities, with strict performance standards based on snow depth and response time. Contact: Daniel Brewer, Contracting Officer's Representative (Email and phone information available upon request.)
